APRIL 1995

## GULF TO BAY ANNUAL BOARD OF DIRECTORS MEETING AND ELECTION.

On Mon. Mar 13, 1995, at 10 a.m. the residents of Gulf to Bay gathered in the Rec Hall to hold their Annual meeting to take care of the business of running the Park, and to elect three new members to the Board. Elected were:

**GENE CROTEAU ART ANDERSON BILL MAUCK**

### BUSINESS-----

LAWN CARE started on Mon. Mar. 27 by KEITH and SANDY MORROW. They will come in to the Park one day a week for 12 months. They ask that you protect your trees and shrubs, from being gashed. And to remove loose objects on that day.

HOUSE NUMBERS plainly visible from the road for emergency vehicles were reported on by JACK KINTZ .

All residents have been informed and will cooperate.

Also a form for emergency information requested by the office was delivered to each residence. Please make sure yours has been filled out and returned to the office before you leave.

LAUNDRY WOES-----It is bad enough to have to do the laundry when you'd rather be out playing around, but to find your reserved time has been taken by someone else is really not fair.

And some prankster has been wiping the chalk board clean at different times, and that is not to be tolerated.

Also some folks fail to erase their name before leaving the laundry. If you do not have a special day and time reserved, please erase your name each time.

SPEED LIMIT-----Hey, hot-rodders, this is not a race track and is not suitable for drag racing. You don't need a head start to get out of the Park....please keep that speed under 10 miles an hour....

The meeting of the new Board reconvened at 2 pm to elect new officers. They are::

Pres.----Les Downing           VP----Bob Sternbergh  
Treas.---Art Andersion        Secret....Boyd Gunnison

### Appointments were:

Jane Wiley....Summer Resident Liaison and Asst. Treas..  
Bonnie Smallwood.....Asst Sec.

### JUST A REMINDER !!

### DON'T FORGET TO RETURN TO PARADISE

I know, all Florida makes that claim, but here in Englewood, at Gulf to Bay Coop, we know we have the REAL thing.

On what evidence do I make that claim ?

- 1.) We have more days of sunshine.
- 2.) We have more days of warm temperatures.
- 3.) We have fewer severe storms.
- 4.) We have more friendly, helpful people.

This report is based on absolutely unscientific evidence and personal, prejudiced, biased opinion.

A dedicated group of Park Residents went to work renovating the Rec Hall. And Tues, March 28th, Gulf to Bay Band and Chorus celebrated the NEW LOOK with a delightful Concert. It was all and more than we expected. with songs, and skits and lots of good music. Beverly Sternbergh is the leader and is to be commended for her fine work with the group.

It seems that the Band and Chorus get better each year. A special treat was added when Jill Schurman, a music teacher and opera singer, sang 'Summertime' from Porgy and Bess,.

George Gallaher , Pres. of the Recreation Board, presented the director, Beverly Sternbergh , with flowers and a gift certificate.

A brief moment of silent prayer was offered in memory of Dorothy O'Connor, who passed away at home. Icecream sandwiches were served.
